## OUR PARISH PRAYER

St. Anthony, patron of our parish, loyal servant of God, faithful follower of Jesus: You taught by word and deed, the message of the Gospel. Teach us to live the Gospel values as you did. Enlighten our minds in search of God's will. Inspire us to be a prayerful community, ever reaching out to and cherishing our neighbour. Help us proclaim God's love and live what we proclaim. **AMEN.**

Associate Professor John Bradley is the Deputy Director of the Monash Indigenous Centre. At the age of 20, he began three decades living with the Yanyuwa people, building a relationship of trust and intimacy that led to his learning their Dream stories and his family becoming part of theirs. He will explore understandings of the Indigenous sacred, and possible ways that settler communities might seek to understand.

## WE REMEMBER ...

**Russell Pelly**

24th February 1935 – 23rd April 2014

This past week, we celebrated a lovely tribute of Russell. This gentle man loved a joke and attempted to bring a smile to all he met. In recent years Russell had slowed down. Recently, Russell was rushed to hospital and reports on Easter Sunday were that he was responding well. On Easter Sunday, Russell and his wife Ramona celebrated their 40th wedding anniversary. However, Russell's condition deteriorated and we were all shocked at his death.

**MAY RUSSELL REST IN PEACE**

## MUSIC MINISTRY WORKSHOP WITH STEVE ANGRISANO (USA)

**Sunday 18 May from 2pm**

Two years ago, the Archdiocese had the pleasure of hosting Steve as he ran this incredible workshop designed for those in Parish Ministry. Inspiring and encouraging those of all different levels and abilities to contribute to their parish community through the joy of music. Join the Archdiocese for a FREE music ministry workshop with international youth minister and musician Steve Angrisano. Steve embraces the spirit of Pope Francis' Joy of the Gospel in his approach to music ministry. Through prayer and song we can celebrate our faith with passion. From very practical considerations of logistics and music selection, to helping an assembly move beyond the "sit and stare" syndrome, Steve will explore a number of ways to make your parish prayer and worship more powerful! This is an ideal workshop for those who have a little interest or a lot of love for parish music ministry!

# General notices

## FROM THE LEADERSHIP TEAM...

This past week, both parishes have had the opportunity of feeding in to the current review being undertaken to assist us in planning for the future life of our partnered parishes of Resurrection and St Anthony's. Thank you to those who attended any of the three meetings that were conducted by Peter Whiting this week. We trust now that all comments and thoughts have been fed to Peter either via the questionnaire at Mass, the personal interviews, detailed written submissions forwarded by some, and of course through this week's meetings. Peter now has the task of finalising his report and making his recommendations for us to consider. This we anticipate will be completed during the Easter season.

During the week, in this the Easter season (Resurrection Parish feast time) Resurrection parish conducted a "thank you to helpers" prayer service and supper. The evening was hosted by the parish pastoral council. It was an opportunity to thank all those who contribute to parish life, particularly as volunteers. Thank you to the parish council who set up, packed up and organised a lovely supper. Thanks also to those attended and a big thank you to those who couldn't attend, but whose services are appreciated by your community. A similar celebration will be held for the volunteers at St Anthony's around our parish feast time.

Vinoth commences his holiday leave this weekend. He will be travelling to India to see his family and meet with his religious congregation. Vinoth will also be travelling on a pilgrimage to the Holy Lands. He will return to the parish on 31 May. We wish him a happy and safe journey and look forward to his reports when he returns. While Vinoth is away, Longinus will work out of Resurrection on Tuesday and Thursday and St Anthony's on Wednesday and Friday. You may contact him at either office should you wish to speak to him or arrange an appointment. Brian and Vicki will work out of both offices as required, so leave a message and we will return your call.

Throughout the month of May, the Archdiocese conducts its annual Mass count. This count will happen at all Masses so if you become aware of someone looking in your direction and they seem to be muttering numbers to themselves don't be alarmed! It's just the Mass count!

Have a good week.  
*Brian, Vicki, Vinoth & Longinus*
