TWENTIETH SUNDAY IN ORDINARY TIME

YEAR C

18 AUGUST 2019

**TODAY'S RESPONSE**

**Lord, come to my aid!**

***(Luke 12:51)***

Living a stewardship lifestyle means stepping out of our comfort zone when needed. Many of us like to play it safe, not cause waves, stay in the middle of the road. In today's world we are called to be informed and take a stance for life, marriage and religious liberty.

**WHAT'S HAPPENING...**

Why did Jesus use Bread and Wine?

First of all, because no two substances in nature better symbolize unity than bread and wine. As bread is made from a multiplicity of grains of wheat, and wine is made from a multiplicity of grapes so the many who believe are one in Christ.

Secondly, no two substances in nature have to suffer more to become what they are, than bread and wine. As bread comes from crushed wheat that is ground to become flour, and wine comes from grapes that are crushed together in a wine press, Jesus knew that, like the wheat and grapes, He must be crushed in death so that he could give himself to us in this most complete sign of love.

The third reason is that there are no two substances in nature which have been more traditionally nourished man than bread and wine. When bread and wine are taken or consumed, they are changed into man's body and blood. But when Jesus took bread and wine, He changed them to himself.

Bishop Fulton J Sheen

Have a good week,  
Brian, Martin & Vicki

Youth engagement is a special priority of Archbishop Peter and a large group from Melbourne will attend. Unfortunately, not all of our youth and their families have the means to self-fund their attendance. Please help to fund pilgrims via the new CDF sponsored, Donation Point Tap device (see picture).
